Note – The following definition is used throughout this book when defining a cancelled fixture,

- **League Fixtures – When a league fixture is cancelled for any reason other than the weather the result is recorded as a ‘win by default’ for the non-offending team.**
- **Non-League Fixtures – When a non-league (i.e. friendly) fixture is cancelled for any reason other than the weather the fixture is expunged from the records.**

1.1 – Season's Report

The season passed saw the 1st XI finish in their highest league position since leaving the WECCC structure at the end of the 2002 season.

Whereas in 2005 the team were immensely strong at home (only one loss) and weak away (only one win), 2006 saw a reversal of fortunes as away matches became the team's strong point with seven wins out of eight such completed matches, but only three victories were recorded on home turf – had the home form of 2005 and away form of 2006 been condensed into one season then promotion would have been celebrated for sure.

Early on the batting form was patchy with no half-centuries coming in the first five matches, but after that this aspect of the game was corrected.

The batting performance of the season was, undoubtedly, the chasing down of over 260 at Peasedown St John – a ground that has never been a happy one for us. Mark Salter carried us through with the team's sole century of the season.

The bowling was robust and effective and the three qualifying players in this category all took nearly thirty wickets each – a better combined return than for several seasons.

Two individual seven wicket hauls were recorded through Thom Trott and Julian Smit.

Alex Sparks made a seamless transition from promising 2nd XI player to full-time 1st XI player and he made the number three batting spot his own – he deservedly won the Young Player of the Year award for a second time in three years.

In 2007 we will have two of our three league XIs playing at the top level on offer and it would be good to complete the set with the 1st XI getting back to the Somerset Division of the WECCC – this has to be the aim for next season.

2 – 2nd XI 2006

2.1 – Season's Report

Promotion to Division One of the Somerset League's Reserves competition was achieved in the rain, but, overall, 2006 was a sunshine season for the 2nd XI.

The momentum picked up by an unbeaten second half of the 2005 season was carried into the new campaign and after two matches the team were top, but then the only 'fly in the ointment' occurred with three matches out of four been lost with a cancellation to rain making up for the other match and we tumbled to one above the relegation zone in a division that has the unique feature of relegating four teams.

This was the spur to go forward and was followed by a winning streak of seven matches in a row – a run that started with Kevin Crout's unbeaten 125 at home to Taunton 3rd XI.

Despite two matches been lost at the start of August that briefly threatened to make for a tighter-than-planned end to the season two good wins to end August ensured that only a handful of points would be needed from the last match and, despite the weather intervening, the draw was enough to get us up.

The batting was so effective that only three batsmen batted in ten or more innings – award winner Phil Nicholls, Julian Jones and Richard Short.

During the run of seven wins in a row only seventeen wickets were lost, in effect we were not fully bowled out twice during this period.

The bowling attack employed surely benefited from the opportunity to bowl first as this meant that the new ball was available more often than not – this league only saw one new ball per match and shows what good luck James Dyke and Bob Trott enjoyed when it came to winning the toss.

Chris Rudd took the bowling award and has a knack of taking important wickets just when the team needed them – the promotion winning match with Butleigh was a case in point.

Martin Short bowled most overs and was a reliable and trustworthy opening bowler.

Andy Mitchell played a first full season of league cricket for the club and bowled some very telling spells later in the innings and collected important bowling points as a result.

Bob Trott had an accurate and tidy season and was the leading wicket taker for the team in the season just passed.

All in all an excellent team spirit shone through from the 2nd XI in 2006 and this will surely stand them in good stead for the challenges that lie ahead in 2007.

4.1 – Season's Report

2006 was another successful season for the club's two (mainly) non-league sides, namely the Sunday and Midweek XIs.

A fifth placed finish was secured by the Sunday XI in league matches and a third season in Division One of the Three Counties League can be looked forward to.

This league is a good one to be involved in and opens up avenues to some quality cricket, but the availability of league tables and match reports (at least in this part of the area that the league covers) is poor – with the advent of the Internet there should be instant access to all statistics and it proves to be hard to track your progress.

Of six matches two were won (Chard & Exmouth) one was tied (Sidmouth) and three were lost (Axminster, Barrington & Taunton St Andrews).

A good mix of senior and junior players featured in these matches and, with Thom Trott at the helm, good cricket was played.

I was in charge of the friendly side of the Sunday XI's programme and only three of these matches were lost.

There were sufficient opportunities for all who were available for this form of the game to play and a good mix of senior and junior player interacted together.

The Midweek XI played more matches than it had done for a few seasons with the addition of six '20/20' fixtures to it's programme.

Seven out of ten matches were won and again it was gratifying to all who took charge of the Midweek XI on match days that availability was good enough to be able to field a full side in all matches.

Non-league or friendly cricket – call it what you will – is still a vital part of the club's fixture programme and as such must be preserved and developed.

Season's Review

Put simply to have achieved runners-up spot in the indoor league season just passed was a tremendous achievement as the team consisted of an untried formula of players. A core of five individuals guided the team through the maze of fixtures presented to us and played in the majority of the matches.

The sixth player was a part played by a number of players and had we been able to settle this part of the team down as the previous five had been then perhaps the mid-season wobble of six consecutive defeats would have been avoided – who knows? With five matches to play the team were placed sixth, but took 96 points from a possible 100 on offer in these matches to chase down and clinch second place – a superior run of form.

The only truly disappointing aspect of the season was the meek performance with the bat in the Knockout Cup – traditionally a part of this form the game where we have done well, but this should not detract from what was achieved overall.

Thom Trott ran the team effectively and his decision to use a number of previously untried players paid dividends.

The future of the league is the source of some concern to me, but I hope to resolve these in due course.

For now enjoy Wellington Cricket Club's achievements in the 2005-2006 winter season.
